**BETTER THAN WE DESERVE**

**Parable of grace in Matthew 20:1-16**

1. When it comes to grace, the MATH is all WRONG.
2. God's grace doesn't operate according to our concept of "FAIRNESS."
3. We only complain about fairness when WE are TREATED unfairly.

**Luke 23:32-33, 39-43**

4. We all FALL SHORT of our own EXPECTATIONS (much less God's).
5. Jesus is EXTRAVAGANTLY UNFAIR when it comes to our sins.
6. God's kingdom isn't for GOOD people – it is for FORGIVEN people.
7. God's kingdom is actually FAIRER than fair:
  - a. Everyone is INVITED.
  - b. Everyone can meet the requirements.
  - c. Everyone gets in THE SAME WAY.
