

HIGHER POWER

“SUCCESS=OTHERS” POWERLUNCH • SEPTEMBER 16

In the opening line of his best-selling book, *The Purpose Driven Life*, Rick Warren says, “It’s not about you.” That truth is the key to truly successful living. If you believe that line, it will set you up for success with you family, with your other relationships, with your business, and with your spiritual life. Of all the characters in the Bible, Joseph is one of the greatest examples of “it’s not about you” thinking. His example shows us that our lives are designed to bless others (even if they don’t deserve it).
